

GETBA AGM 20 October 2021: NOTICE TO MEMBERS OF SPECIAL RESOLUTION

Special Resolution: That the Greater East Tamaki Business Association Inc. changes its name to Business East Tamaki.

Rationale: A name change provides an opportunity to grow our profile, brand awareness and name recognition. We need a name that will be future proof. "Greater" and "Association" are two superfluous words that create exclusivity and age the brand. Refreshment of the brand projects a willingness to evolve. It encourages engagement from our own business community and seeks to appeal to the next generation of members as we move into a re-generation of GETBA v2.0.
